### The History of Chocolate

People from all over the world like the taste of chocolate. Chocolate is a food that many people enjoy as a dessert or snack. Some people like dark chocolate and some people like light chocolate. Some people like plain chocolate and others like nuts or cream inside.

Maybe you have heard about Hershey, Pennsylvania. There, Milton Hershey first made chocolate. The name "Hershey" is known throughout the world. Milton Hershey died in 1945, but the chocolate factory and Hershey's chocolate continues to be made in Hershey, Pennsylvania. First, he learned to make caramels. When he was 29-years-old, he started a caramel business, and in four years his business was very successful and opened up a chocolate factory. The Hershey Chocolate Company grew to make sweet chocolate and cocoa. Hershey died but the world remembers him for not only making chocolate bars, but for his work to help people, especially his workers, through his foundation :

He is remembered as someone who built an entire city and helped people get jobs. He is remembered for someone who made a school for children who did not have families. He is someone who made a medical centre to help those who are sick and someone who made that chocolate which most of us throughout the world enjoy.
