

Word formation

We can form verbs by adding the suffix "**en**" to some adjectives.

- Wide + **en** \mapsto widen.
- Bright + **en** \mapsto brighten.
- Short + **en** \mapsto shorten.

The prefix "**self**" is added to some adjectives

Self refer to: $\left\{ \begin{array}{l} \text{myself} \\ \text{yourself} \\ \text{himself} \\ \text{herself} \\ \text{ourselves} \\ \text{yourselves} \\ \text{themselves} \end{array} \right.$

Example: He is a self-educated person.

He is educated himself.
